Equity Raising

Equity raising

Strategic rationale

- \$140m Institutional Placement is being undertaken to:
 - Provide capacity to invest alongside Charter Hall's capital partners
 - Supplement Charter Hall's capital recycling program
 - Continue reweighting Charter Hall's investment portfolio into long WALE retail and industrial portfolios
- Proceeds will be used to fund investments (either directly, or through repayment of debt) in the following funds:

Sector	Funds	Investing alongside our capital partners	FUM Growth since 30 June 2013
Industrial	Core Logistics Partnership (CLP)	Secured external equity commitments of \$460m	Growth from \$200m to \$600m with capacity to grow to \$800m. Targeting WALE > 8 years
	Core Plus Industrial Fund (CPIF)	Participating in \$120m equity raise	Growth from \$560m to \$730m FUM with capacity to grow to approximately \$900m
Retail	Charter Hall Retail REIT (CQR)	Participated in CQR \$88m equity placement & DRP	CQR domestic FUM growth from \$1.8bn to \$2bn since June 2013
Office / Retail / Industrial	Other New Partnership / New Portfolio opportunities	Co-invest alongside partners	As asset and portfolio opportunities arise

- The investments will drive sustainable property investment and funds management income for Charter Hall

Equity raising

Strategic rationale

- Proceeds from the Placement will be used to:
 - Repay \$40m of debt that has funded recent growth initiatives
 - Fund \$42m of identified investments, which are expected to be fully invested progressively over the remainder of the calendar year
 - \$58m to support additional wholesale partnering growth opportunities
- The Placement supplements the capital recycling program and Distribution Reinvestment Plan to provide available capacity to invest alongside Charter Hall's capital partners
